YOUTH EXCHANGE

"Inclusion of Young People with Fewer Opportunities"

Next activity within the project ISOLA.

In co-operation with ATELIER Youth Association it will take place near Brasov (Romania) our Youth Exchange. The activity will deal with inclusion and will gather young people from the participants countries between October 19th and 25th 2007.

A Youth Exchange allows groups of young people to participate together in a joint programme of activities. Youth Exchanges are aimed for groups of young people aged between 15 and 25. These activities, based on a transnational partnership, involve the active participation of young people and are designed to allow them to discover and become aware of different social and cultural realities, to learn from each other and to reinforce their feeling of being European citizens.
